Our hotel's conference level is located on the 3rd floor and can be divided into the following rooms: Fregatt + Nautic.  
 The NAUTIC ROOM can be subdivided into three smaller rooms: Nautic I, Nautic II, and Nautic III.  
 As the partitioning of the Nautic rooms is flexible, the following combinations are also shown separately in the table: Nautic I-II combined and Nautic II-III combined.  
 The entire conference level can be opened into one unified space, including Fregatt + Lounge + Nautic rooms.  
 The LOUNGE area is not divisible into separate sections.  
 MÓLÓ ROOM: This room is located separately (not on the 3rd floor), on the 1st floor of the wellness area. It is primarily marketed for trainings and spa-related courses (e.g. nail technician or massage trainings), but it has also hosted private yoga sessions and, if suitable for the event, small meetings as well.
